SANDY SOFA

Sandy sofa, developed by JOOY Design Studio, for easily accessible seating areas in creative combinations. The perfect lounge furniture. The sofa is available in two modules that can be assembled into a variety of formation. The Sandy serie also consists of a single pouffe that can be placed side by side as a complement. When order, chose any seating fabric and also laminate color; white, black, ash, walnut or oak on the base. Feel free to combine with Sandy table.
