## GÖRAN STIERNA

Göran Stierna lives in Halmstad, Sweden, and has been interested in photography for many years. In recent years he has upgraded his photography to a higher level. He says that he has been specializes in taking portraits of people and in recent years he has more actively focused on the art form.

Göran has collaborated with the band in Halmstad, Beauty, who has made a video with his portraits for one of their singles. He has also collaborated with the musician Per Thornberg in Halmstad and made three slide shows and album covers for his jazz music. Göran's photographs has been at exhibitions in Halmstad, as the exhibition at Hotel Mårtensson in the winter 2020, Söndrum's library and at Härkonst in Halmstad Art Gallery. He was also represented at the "Corona Exhibition" at Halmstad Art Gallery during the autumn of 2020.

*"I am also represented at NOA Gallery in Stockholm with 6 different motifs and will participate on an international page later this summer as one of 6 artists," says Göran.*

NOA Gallery which is a marketplace for online art, they describe Göran Stierna as follows:

*"Capturing the beauty of his surroundings with both portrait photography as well as nature and landscape and capturing the barrenness, warmth and depth has become a hallmark of his work."*
