**The product is part of our outlet and discounted by 30–40%.
The exact price for the selected variant is shown at checkout.**

Haida is inspired by the Haida people of northern Canada and their techniques for constructing buildings and wooden products. Made from solid wood, it features details such as a backrest milled from solid pieces and a seat subtly carved out of solid wood—details you won't find in many chairs. Look at the assembly, the construction, the details, and enjoy true craftsmanship. Proudly produced in Sweden!
