

NOON

The product is part of our outlet and discounted by 30–40%.
The exact price for the selected variant is shown at checkout.

Work lighting in a unique design. Noon provides an even light to work in without dazzling or creating too strong contrasts with light from, for example, a ceiling lamp or other lighting. Noon is designed as an interior detail and fits just as well as a table lamp as a bedside lamp or lighting on a bookshelf. Available in two models, with one or two arms.
