

GIRO BICYCLE BRACKET

The product is part of our outlet and discounted by 30–40%.
The exact price for the selected variant is shown at checkout.

Around the world, a cycling trend is growing. Beautiful bicycles are sometimes more expensive than a car and cannot simply be left on the street.
We believe your bike deserves a more dignified place, and from now on you can view it as a piece of art by using Mattias Stenberg's smart and beautiful wall-mounted bike rack.
Proudly produced in Sweden!
