

BRINGIT +

BringIT+ is the practical and stylish bag with space for a laptop and other belongings. The bag, with both a carrying handle and a removable shoulder strap, is perfect for the activity-based office, where you can easily pack and move your belongings in a smooth way. Unlike our first Bring IT, the + model also has a zipper, which makes it extra reliable. Made in black felt material from about 75% recycled polyester.

PRESCRIBED TEXT
