

SCREENIT A30 COLLECT FLOOR SCREEN

This screen is built like a classic A30 screen, but has a different hole pattern for feet with wheels. This allows the screens to be placed close together to save space. Complete with wheels 641066 or 643067. As always, the A30 screen provides an effective noise reduction and shielding. Choose size, fabric, zipper or seam as desired.

PRESCRIBED TEXT
