

SCREENIT CONNECT U-BOOTH

A30 Connect U-Booth is a sound-absorbing floor screen booth that combines smart functionality with a clean and minimalist design. Thanks to its straight corners and concealed magnetic connections, it creates a seamless and harmonious appearance that fits naturally into modern work environments. The screens are quick and easy to assemble. If additional space is needed, the booth can easily be expanded with our AddOn articles to suit changing requirements. Constructed with a wooden frame filled with 30 mm sound-absorbing polyester and upholstered with 5 mm foam-laminated fabric on each side. Total thickness: 40 mm.
