

WING - PARTS

A combined storage and partition unit that is quick and easy to assemble — entirely without tools. This modular shelving system is ideal for open-plan offices and works perfectly next to individual workstations. Rods and shelves come in a range of colours, and the look can be customised by choosing between rounded or straight end pieces. Adding screens enhances both partitioning and sound absorption, and they simply click into place using hidden magnets. Designer: Stringdahl & HATT.

PRESCRIBED TEXT

WING
Combined storage and partition furniture. Modular construction of shelves, end pieces, and metal rods. Two different end options: one rounded and one straight.

Rods available in two colours: marrón negro (RAL 8022) y blanco crema (RAL 9001).

The rods come in two heights: 250/350 mm.

Shelves available in four colours: Black (similar to RAL 8022), Creme white (similar to RAL 9001), Greengrey (lsimilar to RAL 7002) and Bluegrey (similar to 7043).

Shelf dimensions: Width: 750 mm, Depth: 400 mm.

Optional: Fabric-covered A30 sound absorber with magnets. Size: width 680 mm, height 250/350 mm. Thickness: 40 mm.
