

PENDULA SQUARE ECOSUND®

Pendula is an updated version of Effekt Pendent. The panels come in two widths and are made in our sound absorbing core material EcoSUND. Can be mounted solitaire on the ceiling or built vertically as a room divider. An effective way to improve acoustics in a room without changing existing installations such as ventilation, cables, lamps etc. The product needs to be mounted with the Pendula distance package and with an optional ceiling bracket, which is ordered separately.
