

WALLPANEL TRACKS

Cover parts or an entire wall with Wallpanel Tracks, which at first sight looks like a ribbed wooden acoustic wall but are made from cut-out acoustic panels. The front is in autumn brown and the inside is anthracite grey, enhancing the wood-like appearance on the exterior.

PRESCRIBED TEXT

Wall panel in cut-out acoustic panel 3000x600x25 mm. Anthracite gray (inside) / Autumn brown (outside). Mounted with 8 black screws.
