

O CHAIR

O Chair is an invitation to let metal thread expresses itself. The base of the chair act like a weaving loom, constraining the wires and revealing their flexibility. Comfortable and stackable (up to 14 chairs), available in a wide range of colors, the chair can be used inside and outside. A special cushion can be added for even greater coziness.

O Chair is available as standard in the following RAL numbers: 3005-Wine Red, 3012-Beige Red, 6007-Bottle Green, 7031-Blue Grey, 9001-Cream, 9005-Jet Black. Can be made in any RAL color as a special order.
