

ONE AIR

Modular sofa system with the opportunity to sit from all four sides and a secure for long term use. With a range of elements you can arrange exactly the sofa you will and put backrest and walls in the direction you want.

One Air has ten centimeter higher legs than One for a lighter expression and easier cleaning.

Upholstery in our wide range of fabric or leather.
Frame in wood.
Pirelli-band braided in the seat frame.
Foam and fiberfill.
Black lacquered legs in steel. Wooden legs on request.
Optional 2 x cord plug with cover (Europe only).
Seat height 450 mm.
Optional removable fabric covers
