PLANT POT LIVORNO

The product is part of our outlet and discounted by 30–40%.
The exact price for the selected variant is shown at checkout.

Livorno is a stylish and modern rectangular pot that is made of Creastone concrete mass consisting of 53% stone powder, 41% cement and 6% fiberglass. Feel free to mix several different plants to get a nice arrangement in the pot. Livorno is available in three colors; Matt black, cement gray and sand black. Size L. 760 mm H. 360 mm.

Note! If real plants are to be planted in the pot, some type of spacer must be used under the pot.
If the pot has a lot of water or is constantly moist, condensation can form.
